SILVER GREEN IMPACT AWARD 2026

(Commendable Environmental Contribution)

This certificate is proudly presented to

GGDSD College **Rajpur, Himachal Pradesh**

in recognition of the institution's commendable participation, commitment, and contribution towards the **Seed Balls for Sustainable Campuses Initiative – 2026**, organised by the National EduTrust of India (NEI).

The institution has demonstrated exemplary dedication towards biodiversity conservation, ecological restoration, environmental awareness, and sustainable campus development through its active participation in the preparation and dispersal of seed balls at suitable locations.

This commendable contribution advances **SDG 13 – Climate Action** and **SDG 15 – Life on Land** and supports **NAAC Criterion VII – Institutional Values & Best Practices**, particularly **Environmental Consciousness** and **Sustainable Practices**.
